

Heston-Stock Ditch Headwaters Water Fair Planned

January 14, 2012—9:00 a.m. - noon

Lakeside Baptist Church Fellowship Hall

515 Michigan Trail

(East side of US 31; South of Lake Trail; North of Pleasant Lake)

Lakeville, IN 46536

**Come Learn How YOU Can Help Improve and Protect the Heston-Stock Ditch
Headwaters Watershed**

**Agencies and organizations have been invited to share information on several
water related topics including:**

- Living along a water resource such as a lake, stream or ditch—What are your responsibilities to protect water quality
- Septic systems—proper installation; Proper Use and Maintenance
- Indiana Lakes Management Society—Being a good Lake steward
- Proper lawn and garden care—reducing soil and fertilizer runoff
- Drainage—Who controls it; When are ditches maintained
- Invasive Species—What are they; Where do they come from
- Becoming a Volunteer Water Quality Monitor—What it is; How to get training
- Becoming a member of the Heston-Stock Ditch Headwaters Watershed Task Force
- Best management practices on the Farm to reduce nutrient runoff, soil transport, or *E. coli* contaminants in the streams and ditches
- Preserving and Restoring Wetlands
